Service Information Sheet

Assistant Safety Specialist / Trainee (ASS) Support

Objective

Providing assistance to the (project) organization at a supervisory / implementation level concerning safety, health and welfare-related aspects.

Description

Our employees, who have professional practical experience, assist the direct managers and staff at the implementation level. Through direct supervision, checking, and inspections in the workplace, a clear improvement is achieved regarding adherence to the safety, health and welfare policies.

By taking over topics such as supervision, instructions, and inspections, your direct managers can put more focus towards performing duties that may be more time sensitive.

Below are some of the services provided:

- Taking measures and inspections with respect to calculated risks, in collaboration with hires and superintendents.
- Monitoring safety objectives through supervision and providing support during teaching and instruction.
- Performing safety inspections, periodic safety drills and observation of conduct.
- Creating and reviewing policies for personal protection devices.
- Reporting on daily safety, health, and welfare aspects and problems.
- Technical safety, health and welfare inspection of work sites, storage areas, vehicles, and equipment.
- Supervise and check conditions for work permits, dangerous tools, clamping equipment, and separators.

If desired, the set of services can be customized after consultation with the client.

Approach

If you would like to engage our services, we will select a staff member who best suits your organization/project. We do this on the basis of information you provide to us, such as the necessary experience, (project) location, duration of commitment, full-time or part-time commitment, etc. Following a preselection, you will receive resumes from us and an open-ended offer. If desired, it is possible to arrange an interview with our workers. Upon receipt of written confirmation of the job, we will coach our workers based on your expectations, and the work in collaboration with you will commence.

Price Indication

We hire out our employees to your organization based on hourly rates. For this service, these rates range anywhere between €45,- and €60,- per hour, during normal business hours.

This rate, however, does not include:

- VAT.
- Travel and lodging costs.
- Equipment costs.

For each request, a formal quote will be provided.
